TYPES OF INCOME OPPORTUNITIES

With TML, you can earn up to 4+1 types of income. Each product you promote is assigned a predefined point value (P.V.), ensuring you're rewarded for your efforts.

1 P.V. = Rs. 1

RETAIL INCOME

For Retail Income, every time you make a sale—whether to a customer or a distributor—you earn a flat 8% commission on the product's value.

TEAM RETAIL INCOME

Team Retail Income allows you to earn from your downline team's retail sales up to five generations, with varying commission percentages. For example, earn INR 10,000 from First Generation sales and INR 7,500 from Second Generation sales.

1 st Generation – 4%
2 nd Generation – 3%
3 rd Generation – 3%
4 th Generation – 2%
5 th Generation – 2%

Note: Compression is applicable based on the active status of IDs. IDs that are inactive or have no sales yet will be compressed at the end of each pay cycle

Leadership Income

Earn up to 15% additional income based on your rank and P.V. (Point Value) milestones. As you progress through the ranks, you unlock higher percentages of Leadership Income, increasing your earnings with each achievement.

The Leadership Income structure consists of 5 ranks. To achieve these ranks, you and your team need to accumulate sales as follows:

1 Star Rank: Achieve ₹30 lakhs P.V. in sales and unlock an additional 2% commission on every future sale.

2 Star Rank: Reach ₹45 lakhs P.V. in sales and become eligible for an additional 4.5% commission on all future sales.

3 Star Rank: Accumulate ₹60 lakhs P.V. in sales and earn an additional 7.5% on each sale going forward.

4 Star Rank: Achieve ₹75 lakhs P.V. in sales to unlock an additional 11% commission.

5 Star Rank: Reach ₹90 lakhs P.V. in sales and earn an additional 15% on all future sales. Plus, as a 5-Star achiever, you are eligible for a ₹2 lakh cash reward.

Business Cycles:

Income and rewards are calculated every 15 days based on the accumulated sales. The first cycle runs from the 1st to the 15th of the month, and the second cycle runs from the 16th to the last day of the month.

Additional Income Based on Team Ranks:

Qualify for 2% to 15% additional income based on your rank and P.V. achievements, with differential income calculated from your downline's ranks. Ensure diversified PV accumulation, with the flexibility to qualify over 12 cycles. To maintain fairness, 50% of target PV must come from different Lines of Sponsorship (LOS).

Examples:

Example 1: If your total sales for the cycle are ₹10,00,000 and you've achieved the 1-Star Rank, you will earn an additional 2% on top of your Retail and Team Retail Income, which amounts to ₹20,000.

Example 2: Upon advancing to 2-Star Rank, you'll earn 4.5% from your Lines of Sponsorship (LOS) in addition to other income streams.

Example 3: At 4-Star Rank, you can earn 9% from 1-Star downlines, 6.5% from 2-Star downlines, and 3.5% from 3-Star downlines based on total team sales.

By reaching the 1-Star Rank with ₹10 lakh Sales PV, you'll qualify for an additional 2% income beyond Retail and Team Retail earnings.

Exclusive Rewards: Cash & Foreign Trips

As you progress through the ranks, you unlock exclusive rewards:

2-Star Rank: Earn a foreign trip upon achieving this milestone.

3-Star Rank: Receive another foreign trip as part of your success.

4-Star Rank: Unlock a third foreign trip when you reach this level.

5-Star Rank: Enjoy a foreign trip along with a ₹2 lakh cash reward

Generation Income

Reaching Five Star rank unlocks the chance to earn up to 3.5% from your downline's Five Star team and a share of their P.V. as they reach this rank

Generation	Level	Income %
Generation 1	First Level Five Star Rank	2%
Generation 2	Second Level Five Star Rank	1%
Generation 3	Third Level Five Star Rank	0.5%

Additional Points To Remember:

Active Status: Achieved with 2,50,000 P.V. sales in 24 cycles.

Compression Process: Inactive IDs are removed at each pay cycle's end.

Impact on Earnings: Compressed IDs don't impact the earnings, ensuring rewards for active contributors.

Encouraging Activity: Compression motivates sales and engagement, promoting active status maintenance

Your Journey After Achieving the 5-Star Rank!

After reaching the prestigious "5-Star" rank, your journey doesn't stop there. The real opportunity to grow and expand your earning potential comes with four additional ranks: Assistant Vice President, Vice President, Senior Vice President, and President. Let's break down the journey and the income distribution for each.

Assistant Vice President Rank (AVP)

Criteria: To achieve the **AVP** rank, you need to have three '5-Star' achievers directly under you in your downline. This signifies that you've helped three people in your network reach their 5-Star rank, showcasing your leadership and mentoring abilities.

Payout: Once you achieve the **AVP** rank, you unlock 3% of the company's turnover as part of your monthly income.

Example: Imagine the company's total monthly turnover is ₹10 crores. By achieving **AVP** rank, you will receive 3% of that, which equals ₹30 lakhs. This amount will be distributed among all **AVP** rank achievers.

Vice President Rank (VP)

Criteria: To reach the VP rank, you need to have four '5-Star' achievers in your different Line of sponsorship. By this stage, you've not only built a larger network but also fostered more growth and success within your team.

Payout: At **VP** rank, you unlock 2% of the company's turnover as part of your monthly payout. Additionally, you would also be part of **AVP** 3% pool.

Example: If the company's turnover is ₹10 crores, you will now receive 2% of that turnover, which is ₹20 lakhs. This amount will be distributed among all **VP** rank achievers.

Senior Vice President Rank (SVP)

Criteria: To become a **SVP** rank achiever, you need to have five '5-Star' achievers in your different line of sponsorship. This shows that you've successfully guided and supported five of your team members to achieve their goals.

Payout: **SVP** rank unlocks 1% of the total company turnover as part of your monthly income. Additionally, you would also be part of **VP** 2% and **AVP** 3% pool.

Example: With a company turnover of ₹10 crores, 1% equals ₹10 lakhs. This amount will be shared among all **SVP** rank achievers.

President Rank

Criteria: The **President** rank is the highest rank in the business structure. To achieve this, you need to have five '**AVP**' rank achievers in your different Line of sponsorship. This signifies that you've built a strong and thriving network, with multiple leaders under you.

Payout: As a **President** rank achiever, you unlock an additional 1% of the company's turnover as part of your monthly income. Additionally, you would also be part of **SVP** 1%, **VP** 2% and **AVP** 3% pool.

Example: If the company's turnover is ₹10 crores, you'll receive 1%, which is ₹10 lakhs, shared among all **President** rank achievers.

Summary of Rank Progression and Payouts

Rank	Criteria	Payout	Min Sale Criteria
Assistant Vice President	Three ' 5-Star ' achievers in your 3 different Line of sponsorship	Part of 3% pool of the company's turnover	12,50,000 P.V.
Vice President	Four ' 5-Star ' achievers in your 4 different Line of sponsorship	Part of 2% pool of the company's turnover	25,00,000 P.V.
Senior Vice President	Five ' 5-Star ' achievers in your 5 different Line of sponsorship	Part of 1% pool of the company's turnover	37,50,000 P.V.
President	Five ' AVP ' rank achievers in your 5 different Line of sponsorship	Part of 1% pool of the company's turnover	62,50,000 P.V.

Important Notes:

Payouts are **monthly**, allowing you to enjoy continuous, growing income as you move up the ranks. The percentage of turnover is shared **among all achievers** at each rank, so the more exclusive the rank, the higher your share. Each rank not only boosts your financial rewards but also strengthens your **leadership presence** within the company.
